

How to Add Father and Trinity As a Personal Book In Logos Bible Software

Click on the icon with nine (9) dots, found to the left of the Search Bar which says "Passage of Topic."

This is for the TOOLS

Scroll down on the TOOLS menu:

You will go past five subheadings, each with items under them, until you come to UTILITIES:

Content

Passage

Reference

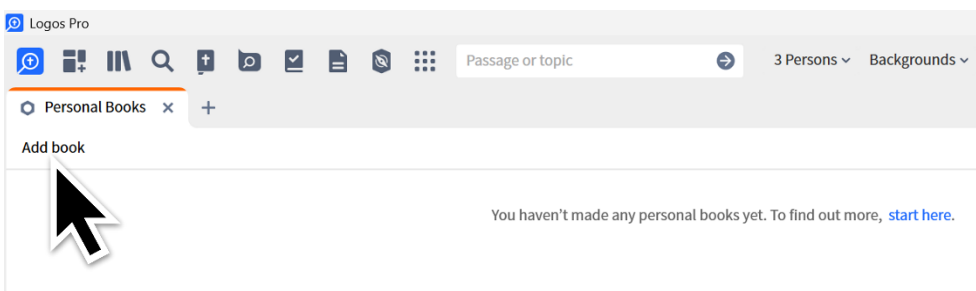

Lookup

Library

Utilities

Under UTILITIES, you will see Personal Books and Program Settings.

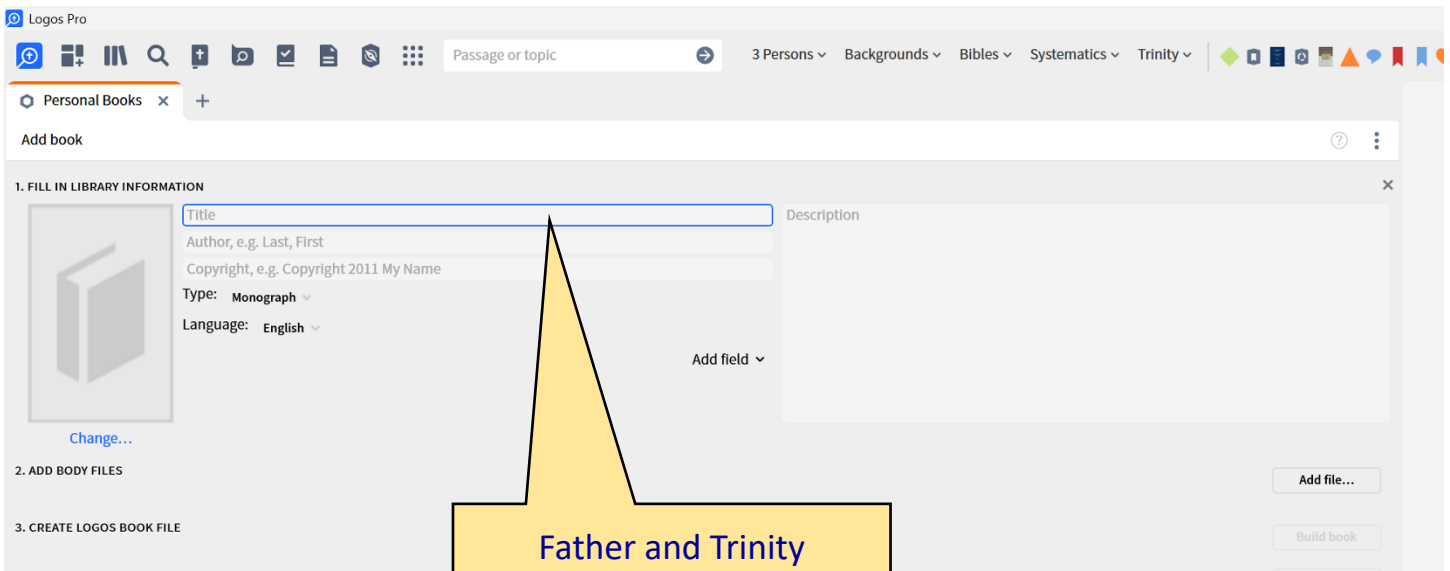

Click on PERSONAL BOOKS.

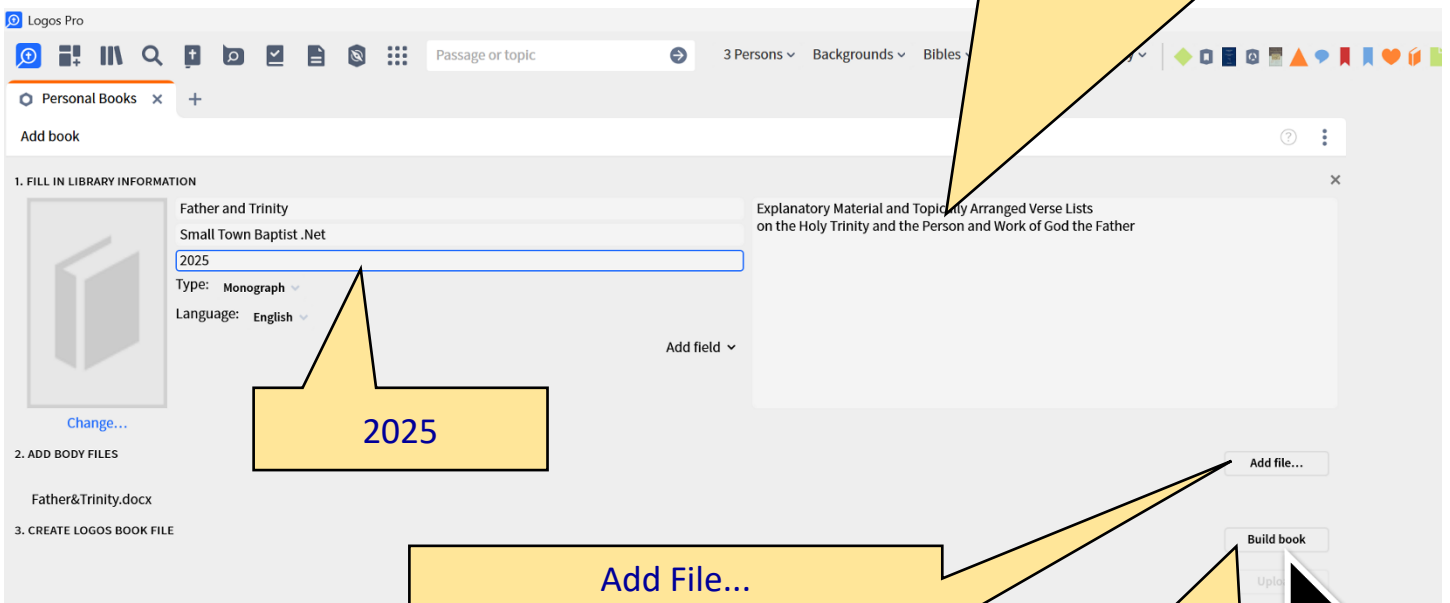

Next, click on ADD BOOK

(If you click on To Find Out More, Start Here, it will take you to a HELP page.)

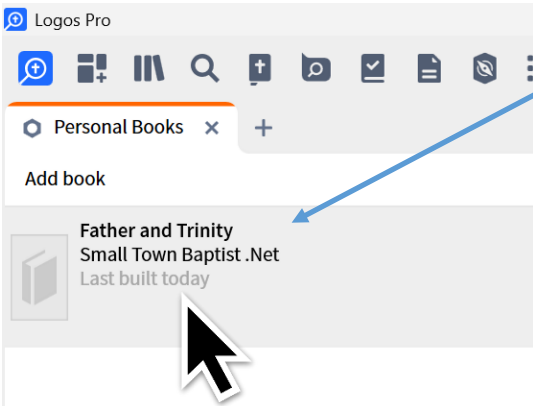

Clicking on PERSONAL BOOKS will make this box come up.
Now, we need to fill in the requested information.

Simple Explanations with Topically Arranged Verse Lists on
The Holy Trinity and the Person and Work of God the Father

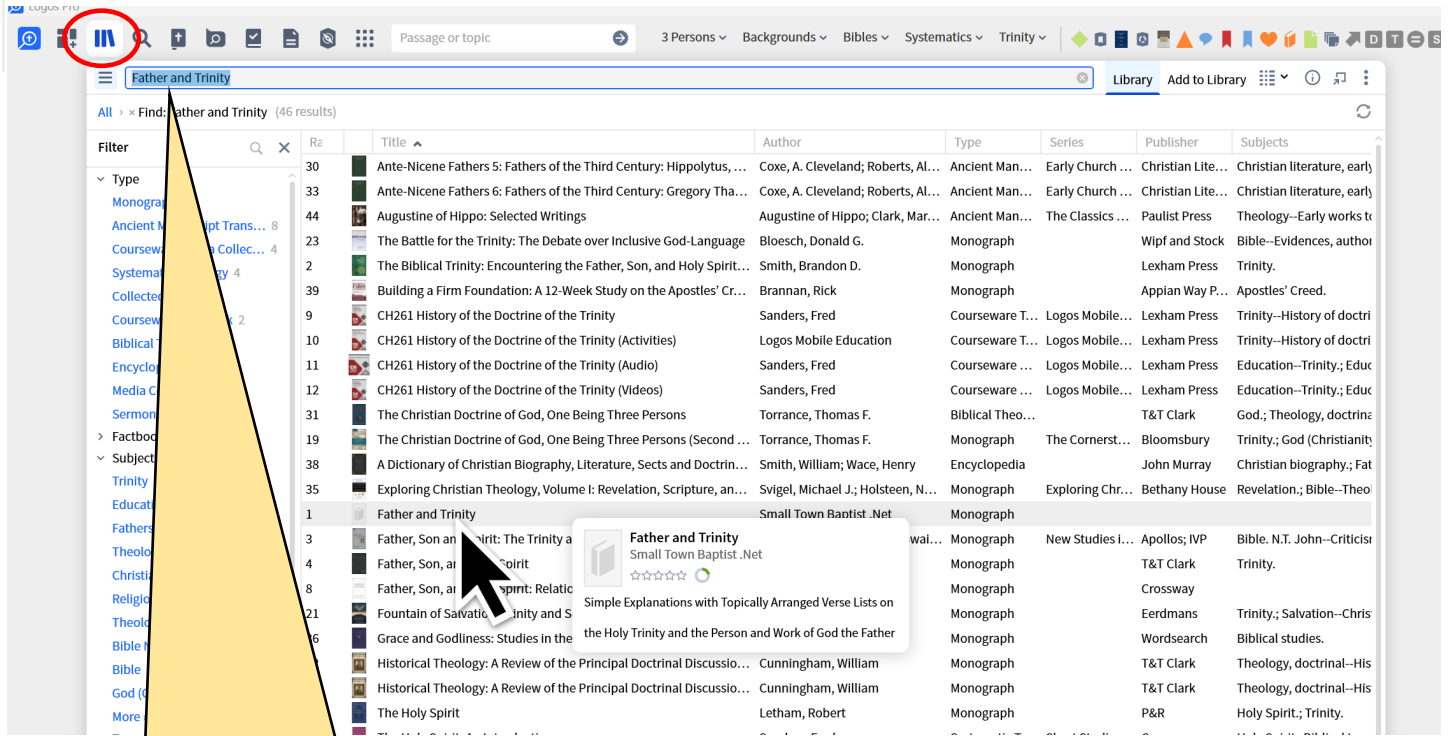

When you have completed all these boxes, then click on BUILD BOOK

When the book is built, this will appear.
 There will be an OPEN command on the right side of the screen to open it immediately.

How to Find this Book in Your Library

You can search your LIBRARY to find this book with the search term "Father and Trinity" or "Small Town."

What if you want to DELETE the book later?

If a personal book has been uploaded, it cannot be completely deleted from the library. Instead, you must hide it to remove it from view. To do this, open the Personal Books tool, right-click the uploaded book, and select "Hide this resource" while holding down the CTRL key (OPT on Mac). Hiding the book removes it from the Resources folder and prevents it from appearing in your library. Note that once a personal book is uploaded, it cannot be re-added through the same source file unless rebuilt, and it will remain in the Personal Books tool even after being hidden. See: [Edit Your Personal Book](#)
